This original production will take you on a fabulous journey of song through the magical years and fantastical lands & stories that the silver screen has made possible through animation in the last 25 years.

There will be songs you know and some you may not instantly recognise but will guarantee to entertain and hopefully conjure pictures in your mind of great memories of watching these masterpieces.

Inspired by our previous musical revue productions, this show looks at the use of songs from 1990 to 2015 in animated movies; you'll hear songs from Disney and some from Universal and Warner Bros pictures.

Come and enjoy Hanham Players as they thrill and entertain you with memories from the past 25 years of animation,

If you're aged 1 to 101, this is definitely for you.
